## Profile

---

I am a graduate of the Faculty of Law from Ain Shams University, and I have a great passion for technology and web development. I participated in the "Egypt Digital Pioneers" initiative, where I developed my skills in front-end development. I am proficient in the Angular and React frameworks through formal training and self-study. I am an enthusiastic, fast learner and committed to continued personal and professional growth in technology.

## Professional Experience

---

**Front-End Development Intern,** Depi

04/2024 – 10/2024 | Cairo, Egypt

Collaborated on real-world projects to develop user-centric applications using Angular. Delivered responsive and dynamic designs to enhance user experience. Gained advanced skills in JavaScript, TypeScript, and Git to ensure effective version control.
